

Quick Reference: Register as an Adult Patient (18+ years)

Step 1: Gather Files

You will need the following:

- Electronic copy of a valid US government-issued photo ID and proof of Maryland address
- Electronic copy of a clear, recent photo
- Last four digits of the patient's Social Security Number

Please note:

In lieu of a recent photo, Hospice patients may submit a letter from the Attending of Hospice Record (AOHR) physician on hospice letterhead

Step 2: Register

Visit the MMCC Registry website and click the **Create Account** link under the *Patients* heading

Complete the *Before You Begin* section to review and confirm that you have the required documents and information ready for upload

Complete the online application form, uploading the requisite files

Step 3: Verify Email

After submitting your online application, you will receive a verification email

Click the link supplied in the verification email to verify your email address

You will receive another email after MMCC has reviewed your application, indicating whether or not your application has been approved

Step 4: Next Steps

Once approved by MMCC, you can do the following:

Log in to the MMCC Patient Registry to select a caregiver

Visit a registered physician to obtain a valid written certification

After obtaining a valid written certification, you can purchase an optional Patient ID card for a fee of \$50
